

Physical Education Report to Governors- End of Year Report 2018-2019 (Mr Pearson)

Key Indicator 1- Engagement of all pupils in regular physical activity

Teaching and Learning

- Mr Oates has a timetable in place for starting 2019-2020. Plans in place to use Mr Oates for intervention to ensure that more children are meeting end of year expectations.
- More assemblies this year have included a focus on Just Dance videos to ensure children start the day with an opportunity for physical activity.
- Final plan for swimming has taken shape. Correspondence with Ackworth have shown that the swimming pool will be out of action until October. Plan is for Y5 to attend swimming from October until the Summer Term. The Year 4 children will then take over.
- TP and other school staff met with the P.E validator on the 24th June to validate the schools application for Quality Mark as awarded by the Association for Physical Education. Positive feedback was given from the meeting and the application is being considered on the 11th July. A decision from this is due on the 12th July.
- Morning club has thrived this year. The amount of children accessing the physical activity element has increased weekly to ensure that both time slots are full from 8.15-8.45. Discussed plans with Miss Needham for how we can further develop this to ensure more children are accessing.
- Lunchtime club with Featherstone Rovers worked well and ensured that more children were accessing a focussed physical activity
- Next steps; Discuss with Miss Chambers how we can develop the swimming curriculum to ensure that there is more time for self-rescue. Discuss with Mrs Miller how we can increase the health and well-being aspect of morning club.

Key Indicator 2- Profile of P.E and Sport being raised across the school as a tool for whole school improvement

Health and Well-Being/ 30:30 Agenda

- More written materials are shared around school- posters within changing rooms are designed to increase awareness of the health and well-being of each child.
- School charter for attending sporting events has been created to ensure that children are aware of the expectations for representing school
- P.E t-shirts being bought for all children has helped to ensure a good standard of presentation within P.E lessons. This has increased the profile of P.E as being a strong subject throughout school.

- Fleece jackets being purchased will again increase the awareness of P.E and sport across school and ensure children are showing more pride when representing school.
- Comments from the afPE validator indicated he thought that P.E was seen very highly and that it was having an impact on the core skills of resilience, teamwork, respect, perseverance and leadership across whole school.

Next Steps; Continue to make links between physical activity and other subjects to ensure that these transferable skills are being passed through.

Key Indicator 3- Increased confidence, knowledge and skills of all staff in teaching PE and Sport

Staff Training

- TP/HH have completed their Level 6 qualification for Physical Education Specialist. Feedback and confirmation of award are expected ahead of 2019-2020 school year.
- TP has been in discussion with staff members to increase the amount of specialist coaching knowledge we have ahead of the 2019-2020 year. Training and qualifications are being sourced and decided upon.
- Grove Lea has offered training to local schools as part of the Centre of Excellence partnership with Yorkshire Sport Foundation. Training has been run on Active Lessons to a group of around 6 attendees.

Next steps; Identify training needs ahead of the new budget in the Autumn term.

Key Indicator 4- Broader experience of a range of sports and activities offered to all pupils

Enrichment Opportunities

- After School clubs have been well subscribed all year. We have managed to increase the amount of children accessing the summer term clubs in comparison to previous year.
- After school club attendance figures have continued to be a significant strength (see separate tracking)
- Clubs have included;
 - Football
 - Gymnastics
 - Sugar Kane Ballet
 - Taekwondo
 - Ball Skills
 - Zumba
- 49 children have accessed the Sporting Activity in Breakfast Club.
- Opportunities for Sports Based trips have been explored. Plans are currently in place for the Netball team to visit the Netball World Cup in July.
- Exploring the opportunity for other trips which may include Old Trafford/Headingley for next year.

Next steps; Increasing the opportunities for parents to take part in Physical Activity

Key Indicator 5- Increased participation in competitive sport

Competition

- We have worked hard to ensure there are a number of club links between school and local sporting clubs
- These clubs have presented assemblies, given out leaflets and are invited to the sports fayre being held on the sports day.
- Children have represented school in as many events as we could have this year. Calendar of events has been shared for next year with SLT and discussions have taken place on events which we will be entering
- Success of winning qualifier events has meant that we have represented Wakefield at the West Yorkshire Games in events including gymnastics, tennis, cross country and active school workshop.
