- Show skills: detail and explanation of design, more precise in finishing and evaluating final pieces.
- Greater knowledge: **explanations of how** to apply skills using a broad range of tools and media.
- Ability to **make connections** and **apply knowledge** easily: make links to prior learning and other subjects e.g. history, understanding background content for reasons that made some artists so famous.

### As teachers we will...

- **Provide opportunities** by offering a **range of resources** and **materials**.
- **Question and challenge** will be differentiated and open ended to extended thinking.
