

Computing!

Alan Turing

150,738,274,937,250

Over 14 million

3 strands of computing

1. Digital literacy (E-Safety)
2. Information technology (Using computers & word processing)
3. Computer science (Coding)

What words do we know?

Algorithm

Decompose

Input

Output

Repetition

Sequence

Debug

How is computing effecting YOUR lives?
