Research the space race. Make a list of all the sources of evidence that you have discovered. Decide which ones do you think were the most helpful and tell me why

Prove to me that men really did land on the moon.

Neil Armstrong

Find out who he was and how he became an astronaut. Design a quiz to test your knowledge about Neil Armstrong.

Make your own time line. Add in events that were happening in the world or add in events you know about e.g. can you remember when the Great Fire of London was?
