

Grove Lea
Primary School

CHARGING POLICY

Rationale

Grove Lea Primary School aims to deliver a broad and balanced curriculum that is enriched through a wide variety of additional experiences. These take place both on and off the school site and all activities are chosen to support the children's learning and the school's ethos.

The Education Act 1996 clarifies the activities for which charges can be made or voluntary contributions sought and gives schools the discretion to charge for optional activities, provided wholly or mainly out of school hours and the right to invite voluntary contributions for the benefit of the school or in support of any activity organised by the school whether during or after school hours.

Objectives

The objectives of the Charging Policy are:

- To ensure activities offered in school time should be available to all pupils regardless of their parents' ability or willingness to help meet the cost.
- To take into account Pupils who are eligible for Pupil Premium
- To identify those activities for which charges may be levied.
- To invite voluntary contributions for the benefit of the school in support of any activities organised by the school either during or outside school hours.

Charges

- The Governing Body reserves the right to make a charge in the following circumstances

allowed by the Act:

- The provision of music tuition given to children as individuals or in groups, except where it is to fulfil statutory duties relating to the National Curriculum or requirements specified in the syllabus for a public exam
- Activities which take place outside school hours and which are not a statutory part of the National Curriculum e.g. outings, visits, sports coaching, cycling courses.
- Trips and activities during the school day (through a voluntary contribution)

- Activities which involve children in nights away from home will include charges for board, lodging and travel costs. Families in receipt of the benefits listed below will be exempt from these charges. The costs will not exceed the actual cost of provision.

Voluntary contributions

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip.

All contributions are voluntary, however should we not receive sufficient contributions to make the trip viable, it might be cancelled. If a trip goes ahead, it will include children whose parents have not paid any contribution. If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. The school will provide a breakdown of how trips and activities are funded should this be required. (Pupil Premium children will be entitled to their visits being paid in full).

Breakages

In cases of wilful damage, breakage or loss of equipment on loan to children, the Headteacher, in consultation with the Chair of the Finance Committee may decide to make a charge. Each incident will be dealt with on its own merit and at their discretion.

Financial Support

In order to minimise costs to parents, wherever possible the school contributes a small subsidy from the School Fund. Pupil Premium children are entitled to up to subsidies to support with costs of visits and residential.

Residential Visits

Our residential activities take place largely during school time and as such no charge will be made for the education element of the trip

Parents of children involved in residential visits will be charged for board and lodging and will be asked to meet full costs. (Pupil Premium children will be eligible for a subsidy towards the cost of the visits).

Music Tuition

All children study music as part of the school curriculum for which there is no charge.

A charge is made for individual or group music tuition if this is not part of the National curriculum. Peripatetic music teachers teach individual or small group lessons.

The LA who run this service make a charge for these lessons. Children who are entitled to FSM will receive tuition at no extra charge.

We give parents information about additional music tuition prior to the start of each academic year.

Swimming

The school organises swimming lessons for all children in Years 5 and 6. These take place in school time and are part of the National Curriculum. The school undertakes to cover the cost of the pool hire and coaching costs. We inform parents when these lessons are to take place.

Additional In-School Charges

- Private Photocopying/Telephone Calls

The Governors have agreed that, under normal circumstances, no charge will be made for these services. Should a large number of copies or calls be required for personal use, permission will be sought from the Headteacher and a donation will be charged to cover costs.

- Income from Sales

Some goods will be sold through the school with the intention of making a small profit and this often takes the form of commission. Goods include; Book Fair sales and school photographs.

- Income from Donations

Occasionally, the school will seek voluntary donations from events such as nonuniform days, sponsorship etc. The purpose for which the donation will be used is explained clearly to parents and visitors.

The school does not charge the PTA for use of the school for fund-raising activities.

The Headteacher and Governing Body will ensure that:

- Careful consideration is given to making up any shortfall in voluntary contributions from parents from the school's delegated budget
- If a charge is made for each child it will not exceed the actual cost.
