This week's recommended read

This week's recommended read is a book called 'Charlie and the Chocolate Factory' by Roald Dahl. The story is about Charlie who is one of the five children who win admission to tour the mysterious chocolate factory alongside its owner, Willy Wonka. The message of the book is that life is karmic; a person will in time be on the receiving end of the way they treat others and reap the consequences, positive or negative of their actions.
