This week's recommended read

This week's recommended read is called **'Wonder'** by R.J. Palacio. The story is about a 10-year-old boy called August who wants to be an ordinary boy and do ordinary things such as eating ice cream, playing on his Xbox. He feels ordinary on the inside but ordinary kids don't make other ordinary kids run away screaming in playgrounds and are scared wherever they go... Auggie was born with a facial abnormality and has been home schooled his whole life and now for the first time he is being sent to a real school - and he's dreading it. All he wants is to be accepted – but can he convince his new classmates that he's just like him underneath it all? Click the link below to find out and listen to the read along. [Wonder 🗣️ by R. J.
